## **SUPPLEMENTAL AMENDMENT**

Dear Sir:

Applicant submits this Supplemental Amendment in response to the July 26, 2006 telephone communication with Examiner Royds. The Examiner informed applicant's representative that the amendment filed with the RCE on June 23, 2006 did not identify the changes to the amended claims. The Examiner requested that applicant file a Supplemental Amendment showing the changes to the amended claims. Applicant has amended claims 1-17 and added new claims 20-26 as shown on the following pages.

Applicant further advises the Examiner that an Information Disclosure Statement has been completed in connection with this RCE application and is being sent to the Patent Office today by U.S. Express Mail.
